MEMORANDUM FOR:

Chief, Communications Staff, DPD

SUBJECT:

Equipment List

- 1. As requested, the following equipment list is forwarded for your reference and information. The figures shown in minimum desired column reflect the "operationally ready" components we should possess at all times. Bench stock, spares, and periodic maintenance requirements should be considered and whatever number of units needed for these purposes added to column one figures. Column two then will reflect the total number of units needed in our inventory.
- 2. Please return the original with your recommendations regarding equipment list.
